

European Aviation Safety Agency

SUPPLEMENTAL TYPE CERTIFICATE

EASA.IM.R.S.01162

This certificate, established in accordance with Regulations (EC) No 1592/2002 and (EC) No 1702/2003 and issued to:

Airfilm Camera Systems
6245 Aerodrome Way / Hangar No 2
PO Box 1352
Georgetown
CA 95634
USA

certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable type certification basis and environmental protection requirements when operated within the conditions and limitations specified below:

Original Product Type Certificate number: *TCCA TC No. H-92*

Manufacturer: *Bell Helicopter Textron Canada Limited*

Model: *Bell 206 Series and 407*

Original STC Number: *FAA STC No. SR01654LA*

Description of Design Change:

Installation of Model G1 Utility Bracket that attaches to the aircraft for attachment of a payload device.

Associated Technical Documentation:

AF-G1-006 rev N/C dated 14 April 2004 - Installation Instructions
AF-G3-006 rev N/C dated 14 April 2004 - Installation Instructions
G1-206-005 Flight Manual Supplement dated 8 September 2004

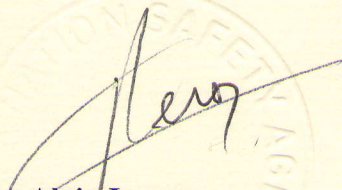

Limitations and Conditions:

This STC approves the installation of the Model G1 Utility Bracket and physical installation of payloads that meet the RFM restrictions. Any electrical installations must receive further EASA approval.

This STC is approved only for the product configuration as defined in the approved design data referred to in the paragraph "Description". Compatibility with other aircraft/engine configurations shall be determined by the installer.

This certificate shall remain valid unless otherwise surrendered or revoked.

For the European Aviation Safety Agency,
Date of Issue: 13th July 2006
