### **PRESS RELEASE: CESSNA 172 / 182 AND 206 WING STRUT MOUNT STC**

**Meeker-Airfilm** are pleased to announce we have received FAA STC for our new Cessna 172 / 182 and 206 Wing Strut mount. The Wing Strut mount comes in two versions, the standard mount and the mini mount. Both mounts require no permanent modifications to the airframe and fits over the existing strut. The maximum payload is limited to 50lbs and 10lbs for the mini and are intended for various camera systems, searchlights, lidar, antennae etc.

For further information, please contact us [meekeraviation@yahoo.com](mailto:meekeraviation@yahoo.com) .
